

# Youth Ministry and the Mission Trip

Kansas City, Kansas: July 8th – 15th

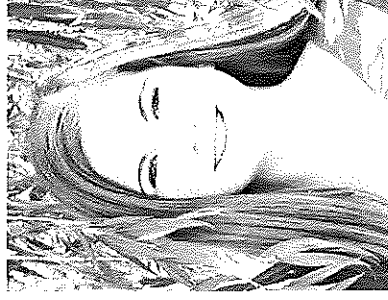

## Max Van Rossum

Hello! My name is Max. I am a sophomore at Saint Mary's Catholic High School in Neenah. At school I am involved with many things, such as plays, jazz band, and VEX robotics. I live in Menasha with my parents, my sister, my grandma and 2 dogs. I am excited to go on my second mission trip to see what life is like, but in a whole new area. My life changed on the last mission trip to San Augustine in Texas. It really opened my eyes knowing that poverty does exist in this country and how people have to live through it. I hope that I can have a life changing event when I go to Kansas City. I have been involved with Spiritus ever since I was in 6th grade, and now I am a part of the High School Core Leadership Team at this parish, helping plan for youth ministry events! I am very excited for Kansas City and thank you for all of the opportunities!

## Molly Manderfield

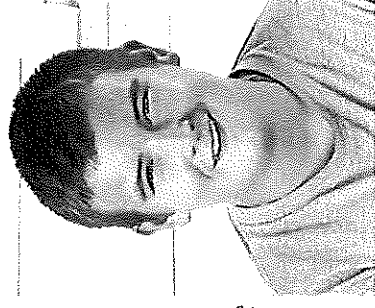

Hi, I'm Molly and I am a freshman at Menasha High School. I enjoy spending time and traveling with my family. I dance at Inclusion Dance Studio and also

compete with them. I am looking forward to this trip because I will have the opportunity to help a community in need and improve their overall happiness. I am hoping that on this trip I will make new friends and improve my relationship with God. I am very excited to go on my second mission trip!

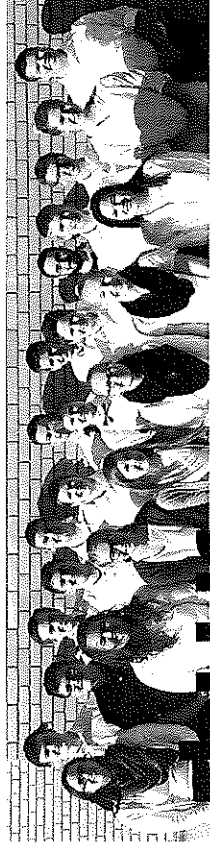

## Isaac Garvey

Hi, my name is Isaac Timothy Garvey, and I am going on the trip to Kansas. I live in Neenah, Wisconsin in a family of eight. I love being outside. The main reason I want to go to Kansas is

because I like to help those in need. Also, I attended the mission trip last year to Texas. Going to Texas was a life changing experience for me. I wouldn't change it for the world because I got to help somebody and change his life. And that was a very good feeling. I know this year will be even more empowering.

**Help the 22 students and 5 chaperones going to Kansas this July!**  
**Thank you for all your support and prayers!**

Please consider supporting us financially. Mark an envelope as "Youth Ministry" Mission Trip and drop in the collection basket at Mass, in the donation box at the back of church or bring to the parish office. Thank you in advance for your support!

Mike Heenan

My name is Noah and I am a freshman at Menasha High School. I am a lifelong member at St. John's. I have been an altar server at the parish for seven years. I am also a part of the high school core leadership team at St. John's and St. Mary's, planning youth events. I

enjoy being in the outdoors and staying active. Most of the hobbies I like to do are involved in the outdoors. I would have to say my favorite hobby is SOCCER!! I have played soccer since I was 4 years old and I am still playing today. I play for Menasha High School and KASA (Kimberly Area Soccer Association). This last summer, my KASA team took first and second place in two tournaments. I also love art! I take art class in school, and I like to draw at home. I enjoy drawing when I'm bored or if it's a lazy day. In the fall, I enjoy goose and duck hunting with my dad, uncle and grandpa.

Hello, my name is Eli and I am a sophomore at Neenah High School. I like problem solving and working with my hands. I am an employee for Pickard Auditorium, run tech crew for all of the school shows, compete in vex

robotics, and am co-starting a UAV (drone) club. I attend St. Gabriel's Church with my family, but I am looking to do more. I would like to go to Kansas City because it's probably the best thing for me to do this summer. I love road trips with friends, and being helpful at the same time is a big plus. I have a decent work ethic from interning for Riverside Community Theatre, and also have learned a lot about construction. I think that this trip will be very beneficial for not only those in need from Kansas City, but also for my friends and I.

Chaperone  
Hi! My name is Mike. My family and I are members at St. Mary/St. John. My wife, Jennifer, and I live in Larsen with our 3 youngest children: Nathan, Jacob and Elyssa. I work at Pierce

Manufacturing as an electrician and have been there for 18 years. I enjoy hunting, building things, being in the outdoors and spending time with my family. I'm looking forward to working side by side with our youth and adult chaperones in a positive atmosphere knowing we are living out the works of mercy by helping those in need.
